## Technical Sheet

## SARA

Sara combines freshness with luxury.

The design is once again dominated by the curves, its typical characteristic, accompanied by an exceptional combination of fabrics at the headboard and the dressing table and bedside tables' knobs.

JOIN puts emphasis on the detail.

A highly aesthetic result, based on the harmony of the material and colour combination.

Upholstered with a special non slip fabric that allows the mattress to breathe.

**Join Metal Frame Plus:** It is made of rigid wooden boards from eucalyptus, covered with a sheet of natural cork, 185mm wide (to protect the fabric and to stop the mattress from sliding), with 15mm gaps in between for ventilation, covering 89% of the bed frame's free surface.
