Technical Sheet

## DIONE CUBO

A modified, but certainly interesting take on our very successful design "Dioni", for those who need to use their bed as storage space.

The comfortable headboard remains unchanged, as per the initial design, while the rest of the frame is modified to shut and form the storage space.

This particular suggestion can be the solution for cramped rooms, as the bed measurements are significantly smaller than the original Dioni version.

This way you can save space without losing in the style and finesse of the furniture.

# DIONE CUBO

with storage space

## Headboard (bed)

Fabric cover, removable.

The internal structure is compact framework by chipboard and mdf.

## Legs-Crossbeams

Mdf, lined with oak, rustic oak, European ash, walnut natural veneer.

Fabric cover, removable.

## Frames-Mattress bases:

JOIN offers two types of frames:

**Join Metal Frame:** The frame is made of (8) rows of orthopedic slats, 163mm. wide and 8mm thick, of Spanish eucalyptus wood, covering 74% of the bed frame's free surface; the wooden slats are covered with a beech film face, ideal for special configuration and quality spring mattresses.

Upholstered with a special non slip fabric that allows the mattress to breathe.

**Join Metal Frame Plus:** It is made of rigid wooden boards from eucalyptus, covered with a sheet of natural cork, 185mm wide (to protect the fabric and to stop the mattress from sliding), with 15mm gaps in between for ventilation, covering 89% of the bed frame's free surface. The product is patented: Patent No1008041 and design patent: Certif. Design No: 6003514.

The standard bed dimensions are for 1,61m x 1,95m and for 1,60m x 2,00m mattresses.

### TECHNICAL INFORMATION

The internal structure is compact framework by chipboard and mdf.

#### Wooden surfaces:

Mdf, lined with oak, rustic oak, European ash, walnut natural veneer.

#### Runner systems:

Hettich Quadro 23 SFG, load capacity up to 25 kg, certified according to ENISO 9001, guarantee of 80.000 open/close cycles.

Metallic solid iron, coloured with electrostatic paint at the leg.

Solid wood, European ash at the leg.
