Technical Sheet

## ELECTRA DARK

Fresh aesthetics, youthful sensation, a lightsome effect. The whole designer idea is based on the curves, repeated at the headboard and the handles of the drawers, the bedside table and the dressing table.

The side crossbeams, with their particular shape, curved as well, are adding on to the final effect and complete the harmonious sensation.

The final image radiates serenity and a travelling spirit.

Exactly what you want for the bedroom!

Comes in olivewood, walnut or oak and in several colours.

**Join Metal Frame:** The frame is made of (8) rows of orthopedic slats, 163mm. wide and 8mm thick, of Spanish eucalyptus wood, covering 74% of the bed frame's free surface; the wooden slats are covered with a beech film face, ideal for special configuration and quality spring mattresses. Upholstered with a special non slip fabric that allows the mattress to breathe.

**Join Metal Frame Plus:** It is made of rigid wooden boards from eucalyptus, covered with a sheet of natural cork, 185mm wide (to protect the fabric and to stop the mattress from sliding), with 15mm gaps in between for ventilation, covering 89% of the bed frame's free surface.
