Technical Sheet

ANDROMEDA

Andromeda, daughter of Cepheus and Cassiopeia, has come down to us through mythology as "the Woman bound to the Rock". The inspiration behind this elegant design symbolizes the freedom from bondage. A furniture full of antithesis, from the dynamic cracked lines on the handles, to the bold leather design on the headboard, Andromeda is a timeless, dynamic creation that stands out for its functionality and gravitas.

ANDROMEDA

Bed with bedside tables

Headboard (bed) Mdf,

lined with oak, rustic oak, European ash, walnut natural veneer.

Fabric cover, removable. The internal structure is compact framework by chipboard and mdf.

Legs-Crossbeams

Mdf, lined with oak, rustic oak, olive.

Frames-Mattress bases:

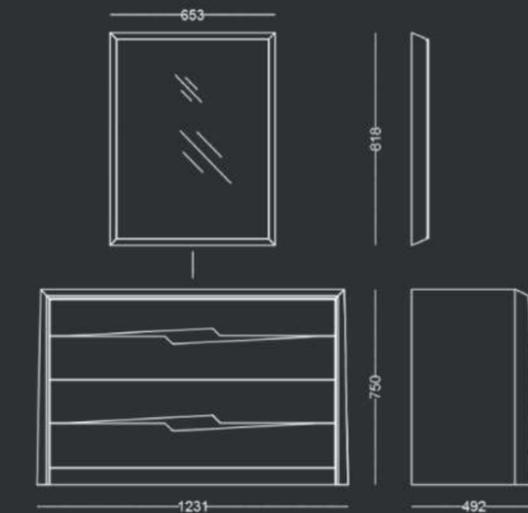

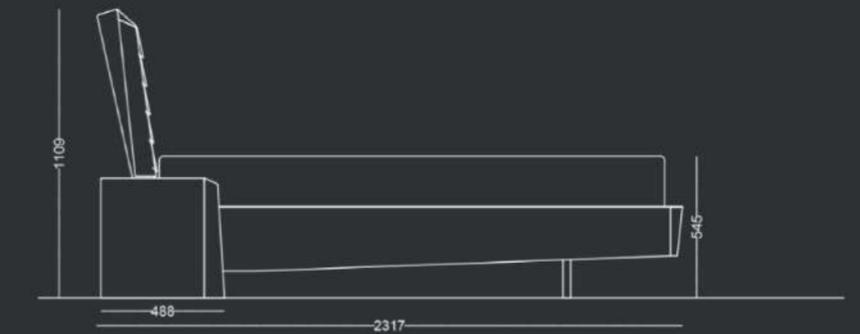

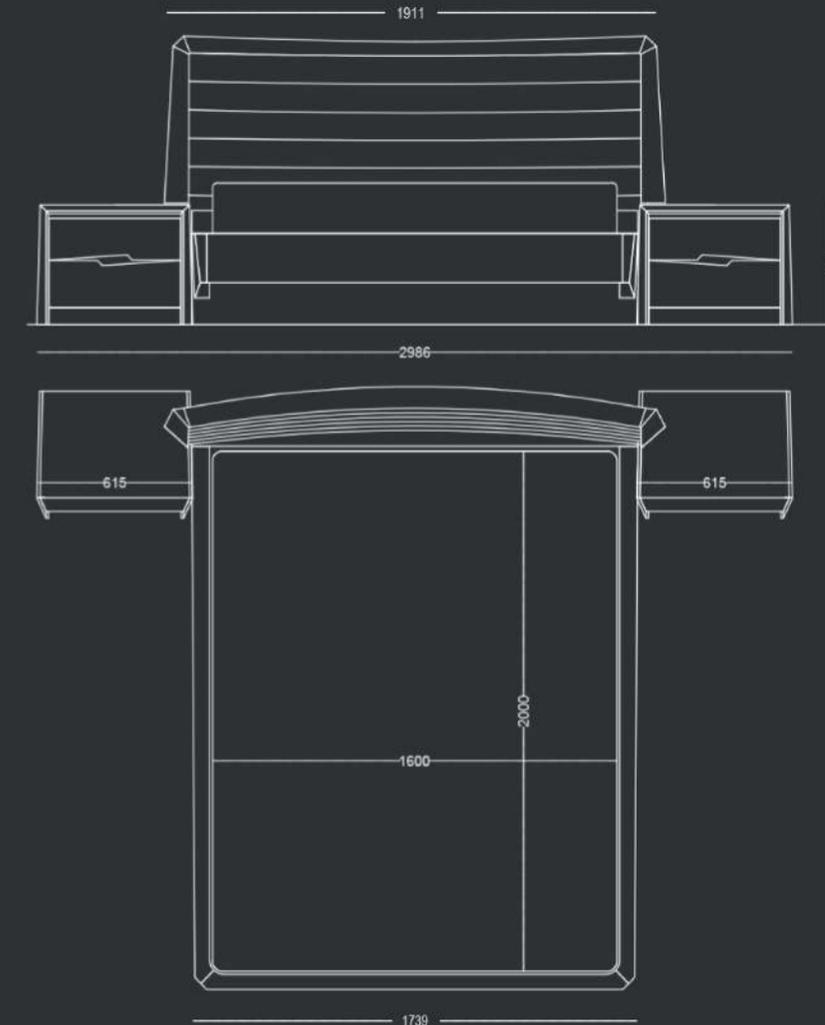

JOIN offers two types of frames:

Join Metal Frame:

The frame is made of (8) rows of orthopedic slats, 163mm. wide and 8mm thick, of Spanish eucalyptus wood, covering 74% of the bed frame's free surface; the wooden slats are covered with a beech film face, ideal for special configuration and quality spring mattresses. Upholstered with a special non slip fabric that allows the mattress to breathe.

Join Metal Frame Plus:

Join Metal Frame Plus: It is made of rigid wooden boards from eucalyptus, covered with a sheet of natural cork, 185mm wide (to protect the fabric and to stop the mattress from sliding), with 15mm gaps in between for ventilation, covering 89% of the bed frame's free surface. The product is patented: Patent No1008041 and design patent: Certif. Design No: 6003514..
